With Jason Prewitt

From the day the gates opened at Daniel Springs Camp, the focus has always been to create an environment for the Gospel to be shared. That still holds true today as the ministry has grown from only hosting summer camps previously to now holding group events year-round. It would be almost impossible to put a number to the impact your camp ministry has seen and what the churches have experienced. One area the camp is celebrating is its 144 churches, ministries, businesses, families, and individuals who were financial partners with the camp in 2023. Each one of those donors have a place in the process of the Lord changing lives. We are needing others to partner with us in this journey of being a ministry that the Lord uses to change lives. We have all personally felt the pains associated with rising costs. The camp is not immune to feeling the same results of inflation. Water chemicals, facilities insurance, food costs, electricity, pool repairs, to name just a few, over the last year have all increased. Every year when we do our financial evaluation the cost per camper, just for summer camp, continues to increase. This last camp season showed a cost up to \$300 a person. That is 8 meals, 3 nights lodging, staff to handle all the details, camper insurance, facilities upkeep, and repairs -and the list goes on and on. The camp is charging \$180 this year to attend camp. The donations we receive help to supplement the other \$120 per person. A few years ago, I received a phone call from a leader at a small church and in that conversation, they shared that even though their church was small, 1 month of their church budget was given to send kids and sponsors to camp. It was a reminder that every penny we give in the efforts for the Gospel to be shared is worth it. The Lord does not need our money, but He does need our obedient hearts. Would your church, your family or you consider being a financial ministry partner with Daniel Springs Camp? The ministry of your national camp is not possible without YOU!

Be A Part of the Daniel Springs Experience

Summer Missionary Staff (SMS)

The Summer Missionary Staff Team is made up of people between the ages of 16 to 28. This is an opportunity to build their hands on ministry experience by using their gift of servant leadership in areas like Bible Studies, Worship, Recreation, Photo and Video Production and many other opportunities. This is a summer of mission investment where each summer camp and event allow the SMS to live out the Great Commission calling on their lives each week using their gifts and abilities to share the Gospel.

Junior Summer Missionary (JSM)

A JSM is someone between the ages of 14 to 18 that would like to volunteer 1 to 2 weeks of their summer and work alongside the SMS. They might not be able to commit a full summer, but would like to experience what it is like being a SMS.

Daniel Springs Camp Interns

The college internship program allows college students to serve with Daniel Springs Camp for one or two semesters to earn college credit with prior approval from their college program. This program is tailored around both the needs of the camp, and the practicum needs of the college student.

A yearlong internship program is also available. This internship is not connected with college credit, but provides hands on ministry experience through administrative activities, camp planning, recruiting, and much more.

Daniel Springs Camp Sunday

JUNE 2, 2024

Mark your calendars for June 2, 2024, as a day of celebration. Take this day, Camp Sunday, or a day of your choosing, to celebrate what the Lord has done in the past and build excitement about what He is going to do this summer in people's lives while attending camp. As a suggestion, in anticipation of the warm days to come this summer, add ice cream to the celebration!

Why celebrate? This summer many groups will load up and make the trip to Daniel Springs Camp. Some have attended camp for many years and for others this will be their very first time. Celebrate the exciting opportunity that everyone will have to hear from the Lord. Celebrate the opportunity for the Gospel to be shared. Celebrate the servant leadership of the sponsors and Daniel Springs Camp Summer Missionary Staff as they are living examples of Jesus's love. Celebrate the messages the camp pastors will preach from the Word. Celebrate people's response to the Holy Spirit. Celebrate the exciting opportunity of lifelong friendships to be made. Celebrate the discipleship opportunities. Let's celebrate every opportunity that will be present for lives to be changed.

Countless lives have been changed while attending Daniel Springs Camp. Celebrate with Daniel Springs as we take every opportunity to improve and update the camp facilities to make it more exciting and inviting for camps and retreats.
